SECTION 4A Special Circumstances

You only need to complete this section if you believe there are special circumstances surrounding your application that you would like the enrolment committee to consider.

If you intend to seek special consideration **you will need to provide**, as far as possible, **full independent documentation (perhaps, from your school or doctor etc) of the important aspects of your application**. We **may** contact you to seek further details.

A. Special Curriculum Needs

Do you have a particularly strong background, aptitude, interest and prospects in one or more of the courses available at St Marys Senior High School which you will not be able to follow at your present/local high school next year?

If so, please provide details of your background, prospects, aptitude or special interest in the course(s) (including records, references, work samples, etc), together with independent documentation, where possible. NB: If you do not provide these details, no special consideration will be given. In addition, your Principal will need to certify that the course(s) or course combinations you want will not be available to you at your present school next year.

Please note: Any offer of priority enrolment made in respect of special subject needs will be conditional upon:

- (i) a class being formed for the course(s) within St Marys Senior High School in 2025, and
- (ii) your continued enrolment in the course(s).

B. Other Special Needs

If you have particular needs (apart from curriculum needs) which you believe can be met at St Marys Senior High School, but not at your present/local high school, please attach full details with appropriate supporting materials.

Please note: Applications which are based on residential considerations, sibling enrolment, availability of extension courses, or perceptions about relative quality of teaching and HSC prospects will generally not be successful.

Supporting Documents

- You must include a clear, complete **certified** photocopy of your Year 9 Semester 2 school report. Interim reports will not be accepted. **(Please ensure that each page has been certified by a Justice of the Peace).**
- You may choose to provide photocopies of **current** documents that convey to us your attitude and commitment to learning. The learning may be in a range of areas, including; but not limited to, school, work and sporting/cultural/social groups. (The photocopies can ONLY be 12 months old and **need not** be certified).
- If you have been away from school for two years or more an employment reference, TAFE result notice or other documents should be included.
- Please list below the documents you would like us to consider and attach photocopies of them.

SECTION 5 Personal Commitment

Our school operates in a model slightly different to most 7-12 settings. Some of the differences include matters relating to dress and behaviour, attendance and punctuality, the mentor program, participation in sport, leaving the school premises and the use of study periods. For your application to be successful, you must be prepared to:

1. undertake the necessary attendance hours, travel arrangements and other changes to your lifestyle to enable you to participate fully in the life of the school.
2. commit yourself to a regular program of study and meet all course requirements, including attendance at all timetabled lessons, assemblies, tutorials and mentor sessions,
3. establish and maintain eligibility for the award of the Higher School Certificate in terms of the rules established by the New South Wales Educational Standards Authority,
4. identify yourself with the school through adopting and adhering to its dress code, customs and rules,
5. participate where appropriate in the life of the school, e.g. through the Student Representative Council, sporting, cultural and social activities.

I have read carefully the information documents provided by the school and declare that I have the personal commitment to meet all of the above conditions, and

I understand that a serious breach of these conditions may result in the suspension and/or termination of my enrolment, and

I declare that, to the best of my knowledge, all of the information contained in this application is true and correct. I understand that providing false or misleading information will result in cancellation of my enrolment.
