Principal's Report

As there has not been a lot happening on our school site, this newsletter will be brief. We are aware of the information overload students, parents, carers and staff are receiving but have decided to go ahead with the newsletter to ensure our families are able to locate important contact details quickly. However, we are acutely aware that what I write in this newsletter now may be out of date by the middle of next week. We will instead provide updates through our point in time correspondence when we receive information to either our whole community or individual cohorts. Over the last week we have had Zoom meetings with each cohort, and we will continue to have such meetings when there is a need.

online resources to support students and their families across all stages of schooling. Materials designed specifically for Years 11 and 12 can be found at the following link: <https://education.nsw.gov.au/student-wellbeing/stay-healthy-HSC?q=>

If students feel more comfortable with tailored support, we encourage them to use the contact lists in this newsletter for advice or support. Please do not hesitate to reach out to us if you need help.

Thank you to everyone for your cooperation during these difficult times. Our strength as a school is our collective support we provide to each other while facing these unprecedented challenges. Take care, stay safe and know that we are all here to help each other.
