Principal's Report

Welcome back to Term 2. I hope you all enjoyed the holidays and were able to spend some time with your families as well as finding some time for a well-deserved break. The autumn weather was very kind to us in the holidays, following the extensive rain periods just prior to the break.

Term 1 was busy, with a return to excursions and sporting activities as COVID restrictions continued to ease. Students are reminded that they are unable to attend school if they are unwell. If they are displaying cold or flu like symptoms whilst at school, they will be required to go to sick bay where parents and carers will be contacted.

Our school athletics carnival will be held in Term 2 during Week 7 on Monday 31 May. We are hoping that a strong school spirit is on display at the event, given the restrictions that were still in place for our planned swimming carnival earlier in the year. We have some outstanding athletes that I am looking forward to see compete.

Year 12 are now halfway through their final year of

formal schooling – and although that may sound scary, it is also very exciting as there are lots of new opportunities becoming available. The 2021 Higher School Certificate timetable will be published on Thursday 29 April and all Year 12 students should ensure they have accessed their NESA Students Online account to ensure they can access their personal examination timetable. For those students completing major works as part of their studies, Term 2 should involve lots of considered planning and steady, diligent application towards completing the elements of the different tasks in each course. Such effort should ensure students produce a final product that reflects their effort, skills and talent.

Enrolment 2022

Our enrolment timeframes for Year 11 2022 can be found on our school website under the “Enrolment” tab. Expression of interest forms for local and non-local enrolments are available now and these forms are due by 2:30 pm on **Friday 21 May 2021**. Any questions can be directed to our Enrolment Secretary. Please feel free to contact the front office on 02 9623 8333.

It is with great sadness that I notify our school community of the passing of one of our staff members, Dean Lane. Dean had been unwell for a period of time but had returned to work in 2019, determined to resume teaching. He loved the classroom and working with students. Dean began his teaching career in 1989 at Blacktown Boys High School and commenced at St Marys Senior High School in 1995. He was an outstanding Engineering and Design and Technology teacher who had very high expectations of his students. He was a very experienced HSC marker for NESA who mentored many other teachers across the state in this role. On behalf of our school community, we pass on our condolences to his wife, Brigitte and his children, Brooke and Courtney, as well as all of his family and friends. We hope they find some comfort in knowing that his service to students for over thirty years was exceptional.

Support in the Learning Centre, Term 2 2021

During every lesson, our school has a teacher available to provide students with additional support in our Learning Centre. These staff can provide specific curriculum support in a range of subjects as well as connecting students to the Learning and Support Teachers.

If you have any questions or concerns, please pop in to see Mel (Head Teacher, Learning and Wellbeing) in the Learning Centre at your first opportunity.
