- Diploma of Live Production and Technical Services
- Diploma of Live Production Design
- Advanced Diploma of Live Production and Management Services

CAREER PATHWAYS

Audio Engineer, Lighting Operator, AV Design, Venue or Front of House Manager, Director, Producer

DUTIES AND TASKS FOR A GRADUATE OF ENTERTAINMENT

- Audio Assistants help to operate technical equipment to amplify, enhance, record, mix or reproduce sound. They may set up equipment, check batteries and recording equipment and operate simple equipment. An Audio Engineer's assistant may conduct microphone checks, ensure that cables are properly plugged in and would complete other tasks as directed by the Audio Engineer.
- Lighting and Staging Assistants perform a mix of basic lighting and staging duties in venues.
- A Follow Spot Operator operates a specialised stage lighting instrument known as a follow-spot, to physically move a light to follow an actor on stage through the show. A follow-spot can move, change size, beam width, and colour easily by hand.
- Props Assistants help to construct, shift, maintain and assemble props for theatre, television and film, or for arts events.
- Stagehands work backstage or behind the scenes in theatres, film, television, or location performance. Their duties include setting up and operating the scenery, props, rigging, and special effects for a production.
- The fly operator operates the theatrical rigging system, and related devices within a theatre. The rigging apparatus is a system of ropes and pulleys that quickly, quietly and safely hoists components such as curtains, lights, scenery and stage effects
- Attendants work in arts and cultural environments such as galleries, museums, theatres, film and television production companies, providing visitor and guest support services.

STUDENT OUTCOMES for Certificate III in Live Production and Services

These are some of the outcomes of graduates surveyed six months after completing their training for Certificate III in Live Production and Services.
